

For September 2017 - 18

Dear Students,

The Level 2 Diploma Art & Design course will be full of challenging subjects and a chance to stretch your abilities.

The Summer Project is designed to keep you engaged with your art course and is called 'Journey'.

This can be interpreted in any way you feel. Your 'Journey' could be a holiday or day trip, around your house, garden, bedroom or an internal journey on a deeper, emotional level. It could be about change or development in your life.

You could work in a small sketchbook or separate sheets of paper. Your work could even be inspired by lyrics to songs or poetry. Treat it like a holiday diary.

- produce up to 10 sketches
- vary the scale of the images
- use a variety of materials, paper, cloth, string, collage, etc
- you may include photos, tickets, brochures or other printed matter
- play with texture, shading, line, pattern, colour
- you could use text in a creative and innovative manner.

Your sketches and drawings will form a record of your journey through the summer.

We will all look at your work sometime during Induction Week which is the first week of term.
